

Product Details

Enjoy relaxing around this cozy 48 in. transitional style Media Console with 23 in. electric fireplace. Stop buying fire wood and cleaning off soot. The QuantumFlame technology ensures you'll experience all the ambiance of a fireplace without any of the headaches. Feel the toasty warmth and comfort of realistic logs and flames using energy-efficient LED technology that allows you to choose from 4 adjustable flame heights. Snuggle close to your loved ones as the 4600 BTU heater warms rooms up to 400 sq. ft. Choose between 62°F to 82° with the digital thermostat. Or enjoy the flames without any heat in warm months. A handy remote provides easy control of fireplace features. Console accommodates most flat-panel TVs up to 58 in. Store movies and media on the adjustable interior shelves. Sturdy construction offers years of enjoyment, and the Light Taupe Wash with Ash Grain finish on the body, and the top Warm Gray Taupe with Charcoal Birch Grain adds a classy element to any room. Easily control your audio/visual components using the open media shelf. This console and fireplace requires assembly, and can be conveniently plugged it into any standard home electrical outlet (max 120-Volt and 60 Hz).

- Accommodates most flat panel TVs up to 58in/70lbs (not compatible w/ CRT TVs)
- 23" wide coil insert w/ remote control that heats up to 400 square feet.
- Four flame levels that operate with or without heat for year-round use
- QuantumFlame patented technology features realistic flame and ember effects using energy-efficient LED's.
- Plugs into standard home electrical outlet (max. 120V and 60Hz).
- Open compartment for audio/video components. Adjustable interior shelves.
- Sturdy engineered wood construction with durable textured laminates.
- See Assembly Instructions for easy assembly steps (Phillips screwdriver required).
- [Please see the Use and Care Manual for proper maintenance, additional tips and safety information](#)
